INT. BLACKNESS

There is nothing except from darkness. There is a red flashing light in the top left corner. It has a flashback effect on it, making it look blurry.

NURSE

He is asleep now. You can start the operation. Remember, don't remove it all. He needs to have no way to remember any of this.

EXT. STREET - AFTERNOON

There is a street. It is modern, looks like 2016 in a south-england location. There are PEOPLE walking around, all wearing 2016-style casual clothes. The camera is in front of PRE-AMNESIA Alan. who is also dressed in casual clothes and is texting someone on his phone. Behind pre-amnesia Alan, there is a MUGGER who is once again wearing casual clothes. However, he is also wearing a balaclava over his face.

MUGGER

(Pointing a knife at
pre-amnesia Alan's
head.)

GIVE ME EVERYTHHHING YOU HAVE!

People around the crime look shocked, some run away and some stand there. Pre-amnesia Alan turns around and looks shocked. The mugger grabs him, and he screams.

PRE-AMNESIA ALAN

I DON'T HAVE ANYTHING, I SWEAR!

MUGGER

I know you do! I saw you on your phone. Do you really think you can stop me that easily?

PRE-AMNESIA ALAN

OK! JUST TAKE IT!

Pre-amnesia Alan reaches for his phone and gives the mugger his phone. The mugger looks at it, in a disappointed way, like it was a £10 nokia but he was expecting a iPhone 10S Plus.

PRE-AMNESIA ALAN

Just please don't hurt me!

MUGGER

Hurt you? Why should I do that?!
I'm gonna kill you!

The mugger punches pre-amnesia Alan in the face. The screen cuts to black. Blue lights are flashing in the top-left with a flashback effect on. Police sirens can be heard and so can a gentle drum beat. After the 5th siren, there is a loud drum beat and the episode ends.
